 Do you wish to speak at the hearing? Yes

Written Testimony I strongly oppose Bill 20 RELATING TO PUBLIC SIDEWALKS as I have all the efforts to criminalize the poor since the infamous Bill 54 (11-029 ROH). As more and more of the public see the cause of homelessness as a consequence of the sky rocketing cost of housing, the appeal of "band aid" measures is gone. Be daring, stop Bill 20, and work on measures to help local people afford to live.
